DESCRIPTION

The Lila luminaire features classic architectural styling that blends beautifully in a wide range of commercial environments and landscape designs. Prismatic refractor lens with upper reflector for smooth symmetrical light distribution. Heavy gauge aluminum construction with durable, weather resistant polyester powder coat finish in a variety of standard and custom colors. Ideal for parks, urban plazas, shopping centers, boardwalks, apartment complexes, hotels and resorts.

FEATURES

- Heavy-gauge die-cast and spun aluminum construction.
- Available in wattages up to 80W
- Available with acrylic or polycarbonate prismatic reflector lens.
- Three stainless steel allen screws secure the fixture.
- Standard distribution pattern is Type V (360° circular).
- EPA: 1.36ft2 (20-60W)
- 180° internal cutoff shield is available as an option.
