**DESCRIPTION**

The REBL stands out as the sole architectural UFO highbay available in the market, perfect for specifications in car dealership showrooms, industrial spaces, and warehouses. This fixture combines competitive pricing with a sleek and attractive design, making it the ideal choice for all your highbay applications. One notable feature is the quick-disconnect cable, facilitating the swift separation of the driver from the LED module for hassle-free maintenance. With a built-in heat sink and a robust die-cast aluminum hook for secure and easy installation, the REBL ensures both functionality and aesthetic appeal.
